

Essay Competition Questions 2023

Candidates must answer **ONE** of the following questions:

1. Does Free Trade hurt or help global efforts to reduce climate change?
2. Should we trade with our enemies?
3. Should we compensate those who lose out from free trade? If so, how?
4. Is more trade done between similar countries, or dissimilar ones?
5. How can we compare A's loss with B's gain?
6. Should we want free trade for the things we buy and protectionism for the things we sell?

Answers should be no longer than 2000 words, with referencing and diagrams not counting towards that number.
